

SEARCHMASTER

INTELLIGENT AND LIFESAVING SEARCHLIGHT

Unique and innovative searchlight which
makes a real difference
QUALITY YOU CAN SEE

WORK SMARTER SEARCHMASTER Intelligent Searchlight

A safe choice for all types of vessels

High quality - innovative design with high durability

The intelligent and lifesaving searchlight is manufactured in high-quality materials. The glass cylinder protects all the electronic parts from the harsh environment and ensures that the searchlight is 100% waterproof.

The searchlight is developed, manufactured, and tested at our workshop in Esbjerg - Denmark by our high qualified technicians, who have extensive knowledge within the maritime industry. We strive to be the best in our field and to continuously have focus on new developments.

We offer State-of-the-art products, with a 24-month warranty.

An excellent innovative LED searchlight

Unique performance for all vessels
